The government has launched the new e-visa system starting from July 15, 2018. The new system abolishes the mandatory application to diplomatic missions and consular offices of Uzbekistan abroad. The amount of the consular fee for registration and issuance of an electronic entry visa is 20 USD. The e-visa will be issued for the period of stay of up to 30 days with a single entry and will be valid for 90 days from the date of issue. Payment for the visa can be made electronically through international payment systems, and the applicant does not necessarily to be the owner of a bank card. To receive the e-visa, you should apply at least three working days before the planned date of travel to Uzbekistan via <https://e-visa.gov.uz/main>. The electronic visa will be issued within two working days and sent by e-mail.
