Cancellation of 2020 ITF Junior Team Competitions

Following an extensive review of the impact of the COVID-19 pandemic on various stages of ITF Junior Team competitions in 2020, the decision has been made to cancel the 14U ITF World Junior Tennis Competition and the 16U Junior Davis Cup and Junior Fed Cup by BNP Paribas.

This includes the 14U ITF World Junior Tennis Finals scheduled to take place in Prostějov, Czech Republic from 3-8 August 2020 and the 16U Junior Davis Cup and Junior Fed Cup Finals by BNP Paribas scheduled to take place from 28 September to 3 October 2020 in Orlando, USA.

Most qualifying events scheduled to take place between March - July 2020 have already been cancelled due to the impact of Coronavirus. Any remaining qualification events beyond the ITF tournament suspension will therefore also not take place. While this is disappointing news, we hope that it provides some clarity for planning purposes.

The ITF will publicly announce this decision as part of its next communication regarding the current suspension of ITF Circuits. The ITF Juniors department will communicate with National Associations later this year regarding the 2021 ITF Junior Team competitions.
