MATCH FORMAT

FORMAT OF THE COMPETITION

The Finals will be played on a round robin basis followed by a knockout stage, as required, to place teams from 1st to 16th position. Each tie will consist of 2 singles and 1 doubles match. Doubles matches must be played at the round-robin stage for the purposes of standings calculations. Any team who does not play their doubles match during the round-robin stage shall forfeit the match and the score shall be recorded as 0-6 0-6.

In knock-out stages, where the score is 2-0 after singles, both teams are encouraged to play the doubles match. An abbreviated scoring format of two short sets (to 4 games) and a match tiebreak may be played in this situation. The Referee has the final decision on scoring format. Each team will play six ties.

Teams must participate in all matches scheduled. Players and captains must also attend and participate in all official ceremonies and functions, unless reasonably unable to do so.

THE DRAW

The Finals draw will take place on **Sunday 3 August**.

MATCH FORMAT

Each main draw singles match (round robin, quarterfinals, semi-finals, finals and third place playoffs) and relegation (16th place) playoff singles match shall be the best of three tiebreak sets, unless otherwise approved by the ITF. All other playoff matches shall play two tiebreak sets and a match tiebreak instead of a third set. No additional rest shall be allowed after the second set.

In Doubles, No-Ad scoring shall be used, and a 10-point Match Tiebreak will be played if the score reaches one set all.

The No-Let Rule shall be in place for all matches.

The Captain shall be permitted to coach their player(s) between points in accordance with the ITF Off-Court Coaching procedures.
