Eligible Players

Players for the Championships in 2026 must have been born between 1st January 2012 & 29th March 2015 and must have reached their 11th birthday on or before the start of the Single Main Draw, until the year that the player turns 14 years of age.

ATF Ranking points

Players participating in the Finals of the ITF Asia 14 & Under Development Championships, which has been classified as a Category A, Asian 14U Circuit tournament, will be accorded Asian 14U ranking points, based on their performance during the championships. Points awarded will be reduced by 50% in case the singles draw size is 16 and no points shall be awarded for a singles draw size of 8 or less.

Players are also required to create an ATF account to enter Asian 14&under tournaments online. Please follow this link: <http://atf.hitcourt.com/>.

Nomination of Coaches

The Captain must be a minimum of 24 years of age prior to the end of the calendar year in which the competition is played.

The captain shall hold a valid ITF Player Support Team ID and is required to have a coaching qualification recognized by their National Association. The captain must complete the Introduction to Safeguarding Children course on the ITF Academy before traveling with their team to the Championships.

The Player Support Team ID can be made by following this link on the ITF Website:

<https://playersupport.itftennis.com/home.aspx>

Practice Day

A practice day will take place prior to the first tournament. Teams may organise their own practice and courts

will be pre-allocated by nation.

Event Draw

The draw should preferably be carried out once all teams have arrived. All Captains shall be invited to attend the draw. Players from the same country should, where possible, be placed in different sections of the draw.

Tournament Conditions

All singles matches will be the Best of Three Tie-Break Sets. In Doubles a 10-point match tie break will be played at one set all. All placement matches will consist of 2 tie break sets and a 10-point match tie break at one set all. No ad scoring will be followed only in doubles. The NO LET rule will in place during service at all matches.

Alternate Scoring System

“Short” sets and/or ‘No-Ad’ system of scoring may be used if necessary due to shortage of time (i.e. due to rain etc) for placement matches only.

Singles Events

Will be a maximum draw of 48, if possible, with twelve seeded players each receiving a bye into the second round. The singles will be conducted on a feed-in placement basis whereby each player will play one singles match each day resulting in a ranking of all the players from 1 – 48 at the end of the tournament.

Note: According to ATF Circuit regulations, players need to win a match to earn any points in the tournament. No points will be accorded in either Singles or Doubles unless a player wins a match.

Doubles Pairings

Must be from the same nation. Only in the event of nations having an odd number of players shall doubles pairings from different nations be permitted. Doubles shall be run on a knock-out basis.

Coaching

As this is not a team event, no coaching is permitted during matches in accordance with the rules of tennis.

Waiver of Claims

All players entering the Championships agree, as a condition of their entry, that no claims are to be brought against the ITF, the tournament organisers, the regional association or national associations sanctioning such events, with respect to any injuries, howsoever caused, or any losses incurred, whilst travelling to and from, or participating in any ITF junior event. It is therefore recommended that all players have adequate medical insurance cover, which cannot be provided by either the ITF, the regional association or the local organiser. Neither the ITF, the host national association, local organiser or the regional association can accept any responsibility for providing players with such insurance cover.

ITF Team

An ITF team will be selected from each of the regional qualifying events. Players shall be selected based on their individual performance in the regional qualifying events, and will be part of the ITF team that participates at the Finals in same year i.e. 2026. This means:

- 1 ITF Team from West & Central Asia (2 top boys + 2 top girls + 1 coach)
- 1 ITF Team from South, South East & East Asia (2 top boys + 2 top girls + 1 coach)

A maximum of 50% of the ITF Team can be from the same country. Accordingly, a maximum of 1 boy & 1 girl OR 2 girls OR 2 boys are permitted from the same country, and it will be merit based.

Country Ranking

Each nation's standing will be calculated at the end of the event. The standing of each nation would be based on the best 3 individual results in singles and the best 3 individual results in doubles, combined for both tournaments (it means the combined points of maximum three singles players and three players of doubles would be added to arrive at the final points of a nation). Should a nation not select any female/male players on their team, then only the best 2 results in singles and the best 2 individual results in doubles will count towards the nation's ranking.

If the tournament is interrupted for whatever reason and the doubles event cannot be finished, then all points acquired up to that time will be counted.

The winning nation of the Finals of ITF Asia 14 & Under Development Championships will be awarded a trophy.

Important highlights of the Championships for 2026

- The Development Championships, Finals will also be used as a platform to select the players for the Wimbledon 14U Championships to be played later in the year. Two boys and two girls will be selected. (Subject to AELTC confirmation)
- The Development Championships will also be one of selection criteria for selecting players to the GSPDP/ITF/ATF 14&U Team to Europe (subject to ITF Development Eligibility Criteria 2026).

Promotion rules: (reviewed on a yearly basis)

a) Top Two (2) nations from the WCA and top two (2) nations from the SA/SEA/EA qualifying events of 2026 will be promoted to the Finals of 2027.

Relegation rules:

- a) The ITF and ATF will decide on the relegation rules and the nations to be relegated from the 2026 finals to the regional events of 2027, after completion of the regional events for 2026.
